

## GRADUATES ARE GIVEN DEGREES

Augustana College Class of 1919, Numbering 23, Has Commencement in Chapel.

### BROADWAY RECTOR SPEAKER

Rev. John McGown Stevenson Addresses on General Theme of Christian Leadership.

A class of 23 graduates with the degree of bachelor of arts, went out from Augustana college yesterday at exercises held in the college chapel beginning at 10 o'clock. Dr. Gustav Anderson, president of the college, conferred the degrees upon the class, whose number was greatly diminished by the large number who went from the membership as volunteers in the world war.

Dr. John McGown Stevenson, rector of Broadway Presbyterian church, addressed the graduates on the general theme of Christian leadership. He gave an excellent talk in which he emphasized the need of constant and unceasing effort toward the goal, no matter how far it may seem away. He pointed out the need of leaders of men at this time when the world seems at odds and ends and showed that upon the college men and women of today rests the burden of future leadership of the world in all great crises. He emphasized the need for Christian education and made a plea for strength of will in the carrying out of all projects for the good of mankind.

Dr. P. A. Mattson of Cannon Falls, Minn., a member of the board of directors of Augustana college, and president of the Minnesota conference of the same synod, offered the invocation and prayer. Mrs. Oletha B. McCommins presided at the organ and musical numbers were given by the Oriole chorus under the direction of Arvid Samuelson and by Miss Hulda Peterson, violin.

Eric Wahlstrom delivered the class valedictory, giving a thoughtful and scholarly address as the parting words of the class of 1919. Members of the graduating class of 1919 are: Miss Florence M. Anderson, Miss Margaret Catherine Anderson, Robert W. Erickson, Samuel E. Fagerstrom, James L. Fitzpatrick, Cary J. Forsberg, Max C. Fritzsche, Rudolph Hanson, Miss Gertrude Jacobson, E. C. Johnson, Emil Johnson, Leonard A. Kendall, Hugo A. Larson, George A. Magnusson, Hamilton Mattson, Richard Odolberg, Herbert T. Orlander, Wilbur Palmquist, John R. Redstrom, C. O. Samuelson, Glenn A. T. Trevor, Eric Wahlstrom and Carl Younberg.

Commencement exercises of 1919 at Augustana college closed last night with exercises conducted at the college chapel for the graduates of the conservatory of music. A program of instrumental and vocal numbers was carried out and diplomas of graduation and teachers' certificates were given to those who have completed the courses in these branches of work.

Dr. E. F. Bartholomew pronounced the invocation and Dr. G. A. Anderson in presenting the graduates with their diplomas and certificates gave them the charge in a short address. Composing the class who received diplomas are Mrs. Oletha McCommins and Miss Mildred Nelson in organ; Misses Ruth Carlmark, Freda Mattson and Anna Peterson, piano; Arthur and Luther Benson, expression. Teachers' certificates were given to Miss Freda Mattson, organ; Miss Edna Linderholm, piano; Misses Dorothy Hammond and Edith Peterson, voice.

## HAWKER AND NAVIGATOR, SAVED, ARE IDOLIZED BY GREAT BRITAIN

Star on map shows where Harry Hawker and Mackenzie Grieve were picked up. Dotted line shows route they tried to follow and black line shows route they had flown before forced to descend. Photo is of Hawker.

Harry Hawker and his navigator, Mackenzie Grieve, are being idolized by all Great Britain on their virtual return from the dead. The daring aviators who essayed to fly direct from St. John's, N. F., to England without a stop in an effort to beat the American seaplanes across, were given up as lost three days after they left St. John's, where word was heard from them. Then, a week after the start of their flight, came news that they had been picked up 800 miles from their goal by a little tramp steamer, Mary. The men were forced to

descend when the water filter in the feed pipe to the radiator became clogged. Ninety minutes later they were sighted and rescued. Being without wireless, the Mary could not flash the news of the rescue. Nearing the Butt of Lewis, the crew wiggled the news to the coast guards.

## EVANGELIST HAS SUCCESS SAVING SOULS; HE WEDS

For 15 days Rev. J. W. Harris, colored, of Monmouth saved souls at the Second Baptist church in Rock Island.

Last night he preached again, and those in his audience marvelled at the increased vehemence with which he exhorted them to see the light and many more hit the sawdust trail and became saved.

And all wondered at the renewed vigor with which he went about his sermon until finally he told them the secret, the cause of his being imbued with a greater spirit in chasing Satan from his hiding places on earth.

Yesterday afternoon, the colored evangelist took upon himself a wife, the bride being Miss Viola Diggs, one of the prominent workers in Rev. Harris' congregation, the Cavalry Baptist in Monmouth.

Rev. Harris' subject last night was "Baptism."

## FORMER ISLANDER DIES IN GENESOO

Johnny Wanner, familiarly known as "Johnny," formerly a member of the Rock Island club in the Three-Eye league, died at the home of his wife's parents, Mr. and Mrs. John Fitz, in Geneseo at 12:30 o'clock this afternoon.

Johnny Wanner was one of the most popular ball players who ever wore an Islander uniform. He was a leading slugger on the team and had a wide circle of acquaintances in the tri-cities and other league towns. He performed for the Islanders in 1905 and 1906 and went to the Eastern league where he played several seasons.

Last fall he was employed at Rock Island arsenal and lived in Lisleport.

## COLLEGE BODY SECURES \$1,000

Announcement Made at Annual Business Meeting of Augustana Alumni Association.

At the annual business meeting of the Alumni association of Augustana college held yesterday afternoon at the college gymnasium, announcement was made that the first goal in the mark set by the alumni for a scholarship fund had been reached in the collection of \$1,000 from the members of the Alumni association. This money will be turned over to the college authorities to be used by them as they deem best, but to be drawn later to fit the exact purpose of the fund.

Officers of the association were chosen as follows:

President—L. W. Kling, Rock Island.  
First vice president—O. L. Nordstrom, Rock Island.  
Second vice president—James Fitzpatrick, Rock Island.  
Third vice president—N. E. Krone, Dayton, Iowa.  
Treasurer, C. L. Lundberg, Moline.

Members of executive committee for three years—Miss Agnes Abrahamson, Rock Island.  
Secretary—Rev. L. E. Jones, New Era, Iowa.

Members of the Alumni association and their friends to the number of 500 were guests of the college board at the banquet served at 1 o'clock in the gymnasium and as a mark of appreciation for this courtesy the association went on to record in a unanimous vote of

thanks, also by resolution favoring the plan and asking that the custom be an annual one.

The entire assemblage was seated at long tables spread in the gymnasium, and which were brightened with flowers and the college colors, blue and gold. Programs in the shape of pennants in the college colors made attractive place cards and contained also a number of college songs which were sung during the serving of the four course dinner and greatly enlivened the gathering which was one of the most enthusiastic ever held by the association.

Alfred Hall-Quest, an Augustana alumnus in the class of 1900, now professor of education in the University of Cincinnati, was the speaker of the afternoon. He gave many college reminiscences and an excellent talk on the benefits to be derived from education received in the smaller colleges. Dr. G. A. Anderson acted as toast master and in addition to the talk by Mr. Hall-Quest, a talk on overseas experiences was given by Rudolph Hanson, a member of the class of 1919 and who was a member of the One Hundred Twenty-third field artillery but who returned to this country before his company, coming as a casual following a long illness with pneumonia. He told interestingly of his experiences while overseas, having seen considerable actual fighting. The Wennerberg chorus sang a group of songs and was enthusiastically encored.

The association will endeavor to inaugurate the plan of holding class reunions at the time of the annual commencement exercises, dates of reunions to be the first, third, fifth, tenth and every ten years following graduation. The association recommended that classes appoint secretaries who are to have in charge these annual affairs.

## ANOTHER PARCEL POST TRUCK FOR THE POSTOFFICE

Authorization came from Washington this morning to Postmaster Simpson, to the effect that the department had authorized the placing of another parcel post auto truck of the regulation type in the service of the Rock Island postoffice. This makes the third that has been allowed the present postmaster since he went into office, and with the department's approval for motor screen wagon heretofore announced, will give to the local office as fine an equipment as any postoffice in the land. In all six trucks will be in the service and with this arrangement vanishes the last of the horse-drawn vehicles, with the exception of that used by the rural carrier. Two mounted city carriers will now be dismantled. There were five of these when the office passed into its present control, but gradually they have been discontinued until now the last is gone.

The contract for the additional parcel post auto has been awarded to Carrier Myron H. Stone. The other two parcel post trucks are in charge of Carriers John R. Stengel and John D. Williams.
